

CCRA Streets Committee

CCRA approved a proposal to rework the intersection at 23rd and South Streets, with a view to improving its safety.

CCRA, in conjunction with the Logan Square Neighborhood Association and Kennedy House, sent a letter to City Council President Darrell Clarke, urging the construction of the new, dedicated bus lanes on Market Street and John F. Kennedy Boulevard in the near future.

The streets committee is currently studying a City proposal to build a two-lane bike lane on the south side of Market Street, between 20th and 23rd Streets.

The streets committee is reviewing various preliminary proposals for the future of Martin Luther King Drive.

The streets committee welcomed a new member, James Harrison.
